ROBERTSON SHOW SPONSORS

The Robertson Show Society sincerely thanks all our generous donors. To the best of our knowledge and ability all our supporters, donors, sponsors and volunteers are listed. We regret any omissions and are most happy to correct this. Without support we would be unable to provide so many prizes, trophies and ribbons. Many donations are in time and effort during the year and at Show time; without these there would be no show. Our aim is to promote Rural Excellence and to encourage the involvement of our community, rural and urban, and promote the participation and growth of our youth. The Robertson Show Society is very proud of the generous support and involvement of our community. THANKYOU.

THE AUSTRALIAN CHAMPIONSHIP POTATO RACE - HISTORY

The annual potato race was founded with a 1968 meeting resolution to run a potato carrying race at the 1969 show and restricted to residents of the Berrima District. The event's success led to the competition becoming open to all Australians. Many entrants came from the Sydney Markets, but a special \$50 prize was introduced for the best performance by a Berrima District Resident.

Mr Stan Hunt, from the Sydney markets, was a great supporter of the Potato Race for many years, and Mrs Terry Hunt has carried on the tradition. In recognition, the Womens' race was named the Stan Hunt Memorial Ladies Potato Race.

The Potato Race quickly became a popular attraction at the show, with widespread interest and the 1972 race was won by a competitor from Orange. By 1975 the prize money had increased to \$245, with contestants

competing from many parts of the state. The 1976 show went ahead under Robertson's seemingly normal rain and fog conditions making it a tough race for the 15 entrants. Ron Thomas of Albion Park won, ahead of Wilf Whatman from Mittagong.

The 1992 potato-race book 'The Winds of Change', which only goes as far as 1979, is in our archives. Ladies and Juniors races were introduced during these years, and prize money grew to today's levels.

Shane Whatman from Mittagong was a notable potato "racer" with six straight wins from 1996 to 2001, then in 2003 and second to Ian Hindmarsh in 2004. The fastest men's time on record was from Ricky Garrard, 1.20.24, but even faster was Sally Vaughan with a blistering 1.20.00, although slightly less handicapped carrying a weight of 12.5kgs as opposed to 50kgs for the men.

HINTS ON EXHIBITION COOKING

It is important you read the schedule carefully
Check closing times for entries. No wire rack marks - cool on tea-towel. Use caster sugar for finer cakes.
Do not put your cakes in plastic containers or bags before judging as this can draw moisture - use cellophane for best results. Biscuits, pikelets, slices and scones should be dainty. Iced cake on top only, unless otherwise stated. Weigh sponge mixture for even heights. Scones - always use sharp cutter, always wipe excess flour from base.

RECOMMENDED METHOD: Mix together all the fruits and nuts and sprinkle with the sherry or brandy. Cover and leave for at least 1 hour, but preferably overnight. Sift together the flours and spices Cream together the butter and sugar with the essences. Add the eggs one at a time, beating well after, each addition, then alternately add the fruit and flour mixtures. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon. Place the mixture into a prepared square 20cm x 20cm (8" x 8") tin and bake in a slow oven for approximately 3 ½ - 4 hours. Allow the cake to cool in the tin.

- A sample of the yarn, fabric or fibre with label must be attached to each item making up the exhibit. If a label is not available such as in the case of a hand spun or felted item, a handwritten label with relevant details and sample will suffice.
- An exhibit in this competition may consist of the work of one individual or a group of individuals, or an organization.
- All three article/garments must have been completed within the 12 months prior to the local show and made by the exhibitor/s.
- An exhibit having won at a local show may be exhibited (the same three article/garments) at the Group Final. The winning exhibit at the Group Final is then eligible to compete in the State Final
- An exhibit is only eligible to represent one Society at Group level and one Group at State level.
- An exhibit (article/garment) that has previously competed at Group level is not eligible to compete again.
- If this class is not scheduled or attracts no entries at a local show, the Chief Pavilion Steward in consultation with the appropriate Pavilion Section Judges, may select three suitable individual exhibits and, with the exhibitors' permission, enter them in the Group judging as an exhibit representing the particular Society concerned.
- It is the responsibility of the Group Secretary and winner to co-ordinate the transfer of the winning entry to the ASC Office in Sydney for the State judging.
- Recommendation: State Final garments are to include a photo of the garment being worn (where possible and applicable).
